Marist Brothers Rosalie

STRENGTH IN NUMBERS PROGRAM

"Never see a need without doing something about it."

St Mary of the Cross

Together we provide an education for a boy's future

Sometimes it is difficult to see how, as individuals, we can make a difference to others in our community, however collectively as a group we can.

'Strength in Numbers' is a program aimed at providing a Marist education for deserving boys who would otherwise miss out due to family circumstances.

For those who have received a Marist Education, you will know that you have not only gained an education and strong values, but you have also gained a network of friends for life.

The Marist Brothers Rosalie 'Strength in Numbers' is an opportunity for Old Boys to come together to maximise the impact of their tax deductible donations, big or small.
