MARIST, ROSALIE NEWSLETTER

Age Quod Agis – whatever you do, do it wholeheartedly and well

September 2022 Vol. 5 issue 3

FOREWORD

The Marist Rosalie Old Boys' Association will hold its **2022 Annual General Meeting (AGM)** at the **Paddington Tavern** on **Saturday 19th. November 2022.**

We have sent an **"expression of interest"** to all registered members asking that you indicate your intention to attend one or both events. We require this information so the Paddo can allocate sufficient staff to assist with managing our event. We have now received a number of RSVPs but many are still to come in.

For members who previously attended our AGM the process will be similar to 2020. Please arrive early for coffee, registration and be seated on time. The AGM will **commence at 11.00 am sharp.** We believe the 2020 AGM was a very successful day. We had approximately sixty members attend plus some special guests.

We are hoping for a much larger turnout in 2022 than we had in previous years.

The formal procedures for the **AGM** will be **followed by lunch.** There will be a bar open at the rear of the function room and food can be ordered from the menu. Paddington Tavern staff will come around to take your order on a table-by-table basis. Payment for drinks and food will be on individual basis.

This year has been a very busy year for the Old Boys and we have held a number of events. **The first of these was on the 13th. April. This was The Marist Rosalie Old Boys' Association Annual Reunion.**

The re-union was held at Souths Rugby League Club. Torrential rain poured down throughout the day and by evening it was a deluge. We experienced a large number of cancellations due to widespread flooding in Brisbane and this played havoc with road access. Regardless of these hazards, it was a very successful evening with a smaller yet inclusive crowd in attendance. The **Rosalie Tribute match** which was due to be played the following day was postponed because of the severe deterioration of grounds and overnight weather.

The Marist Annual Sports Day was held on the 30th. April. Invitations were extended to Marist Rosalie, Marist Ashgrove and St. Laurence's 1st. XV players who had represented their schools in 1952, 1962, 1972 and 1982. The members of these teams were celebrated at a lunch in the Cyprian Pavilion. Following the luncheon, the former warriors from the three schools were introduced to the spectators on the main oval and presented with a medallion to mark the day.

The Ashgrove boys played St. Laurence's in the main game. The visitors were far too good and ran out winners in a hard-fought game.

MARIST ROSALIE OLD BOYS Association

The Rosalie Tribute match which had been postponed from the 14th. April was rescheduled to 4th. June. It was arranged that Ashgrove would play against St. Edmund's College. Originally, Ashgrove was programmed to play Villanova.

It was a fantastic sight to watch the Marist Ashgrove team take to the field wearing the mighty Cerise and Blue Colours. This was the first time these colours had been worn in a Premiership game in the seven years since the inception of the Rosalie Tribute Match.

Unfortunately, the boys in the Cerise and Blue succumbed to the visitors and the game resulted in a win to St. Edmunds. On the day Ashgrove had a number of injuries including absence of their entire regular front row. Regardless, St. Edmund's thoroughly deserved their win and were the better team.

Our most recent event was the Marist Vintage Lunch held on 13th. August and there were thirty-two Rosalie acceptances for the event. Two of the guys who had accepted had to cancel on the day, one because of Covid and the other for family reasons.

Invitations to the Marist Vintage Lunch are extended annually to Old Boys of Ashgrove and Rosalie who completed their education more than forty years ago. On the day, approximately one hundred and twenty old boys from both Colleges gathered in the Cyprian Pavilion. Rosalie was well represented and while we strive to achieve higher attendance numbers from our school, we celebrate those who were joined us.

The recognition we receive from these joint events by our long-time adversary Ashgrove; are very welcoming. These events are extremely enjoyable and it is a great opportunity to reconnect with former school mates.

Over the past five years we have gratefully received help from Marist College Ashgrove in many ways. They have provided assistance with locating lost Old Boys, technical help with website development and maintenance, collaboration in joint events such as the Marist Vintage lunch which has been renamed from the Blue and Gold lunch to The Marist Vintage Lunch. The Marist Sports Day lunch also recognises both Ashgrove and Rosalie jointly.

As we approach the final months of 2022, our Association continues to redefine its strategy. We have worked diligently to ensure the history of Marist College is enduring. Despite not having an operational college; we strive for recognition, particularly from Brisbane Catholic Education (BCE).

We are fully aware that our beloved school will never reopen in Paddington, but in 2020 at our end of year lunch we were encouraged by the previous Executive Director of BCE, Pam Betts, with the following words.

"Brisbane Catholic Education enjoys a wonderful relationship with Marist Schools Australia (MSA) and already work closely with Mark Elliot, Regional Director, and the team to bring the charisma of St. Marcellin Champagnat to life in many of our school communities."

Pam emphasised in her speech that BCE wanted to "continue their close partnership with The Rosalie Old Boys; and would work with Frank Molloy at the national level and Mark in the Archdiocese of Brisbane. Therefore, as we plan for the development of future schools, we will again partner with MSA for one of those schools to be enriched by the charisma of St. Marcellin. At that school we will capture the spirit of Marist College Rosalie so that story of that great College will be preserved into the future.

MARIST ROSALIE OLD BOYS Association

How this will look – we don't know, but we will engage with Jim and the Old Boys to explore the possibilities. "

Unfortunately, Pam retired from BCE at the conclusion of 2021 and her replacement, Dr. Sally Towns has been in demand since her appointment. Our first meeting with Dr. Towns is scheduled towards the end of September and we are hoping for an open and frank discussion regarding future opportunities for collaboration between Marist College Rosalie and Brisbane Catholic Education.

Clearly, our fortitude and resilience has remained unchanged since the school opened in 1929 and our Old Boy membership has never been stronger.

With the support of Marist Ashgrove and their resources we have an active website; we distribute a quarterly newsletter and have done so since 2018, we have built a membership base of almost 1,500 and we have built alliances and relationships with Ashgrove and Marist Schools Australia to enable us to reach our end goal.

Whilst Rosalie old boys are spread far and wide across the globe, they have never forgotten their roots.

Our school has produced some fine men, including clergy, politicians, members of the military, public servants, businessmen, entrepreneurs and those who have represented our beloved country in many fields and in many different ways.

More importantly, we have produced men who are proud Australians and decent, hardworking, family men.

We will continue to work hard for our old school and our loyal members.

We are currently redefining our strategy and how we will ensure the Spirit of Rosa lives on. This may require a deviation from our past but it is important the memories of Rosalie are not lost.

Our future may lie in a very different direction to our past history. We will keep you informed of plans for 2023 in the coming months.

In redefining our strategy, it needs to have a sense of purpose.

To ensure the memory of Marist Rosalie lives on and has a worthwhile direction we may need to set new goals and objectives.

The success of and future of the Marist Rosalie Old Boys' Association can only be achieved by the strength and resilience of a strong **active** membership.

We need former Old Boys to work with us to achieve these goals and objectives.

The final stanza of the poem "*Ulysses*" by **Alfred Lord Tennyson** gives me encouragement to keep moving forward.

***We are not now that strength which in old days
Moved earth and heaven, that which we are, we are;
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield.***

VINTAGE MARIST LUNCH - 12th. AUGUST 2002

Each year Marist Ashgrove host a vintage lunch for Old Boys' who were educated at Ashgrove and Rosalie for those students who graduated from both Colleges before 1982.

In 2022 the lunch was held in the Cyprian Pavilion on Friday 12th. August.

When the Rosalie Old Boys Association lapsed into inactivity in 2008, The Marist Ashgrove Old Boys Association invited Rosalie Old Boys to attend these lunches.

In past years we have had between fifty and sixty attendees and many more are welcome to attend. In 2021 one whole table was filled with 1958 Rosalie Old Boys, some of whom had not caught up for a number of years. It is a great venue for a class catch up and we encourage you to join us annually for a great day together. We may be able to help you organise contact with your former classmates for this or any class reunion you are contemplating.

MARIST ROSALIE COLLEGE CAPTAINS LUNCH

We are pleased to announce that this event, originally scheduled for 2022, is to be held on either the 20th. or 21st. January 2023. We will confirm the date and venue when invitations are sent out.

The purpose of this lunch is to discuss how we can increase our membership and locate missing past students as well as gain input on the future of our Association. We will be inviting every College Captain from 1960 to 2008 to attend the event. If Captains wish to attend earlier than the year 1960, they are most welcome.

We are conscious that there may be difficulty for some former College Captains to attend this event due to their geographical location, or they may also feel that they are not the person who has regular contact with Old Boys from the year they were the College leader. We would be appreciative if they could suggest someone from their year who would be better suited to be the contact. It may be that there is someone more suitable from their year who has many contacts personally, or via social media. If you feel it would be advantageous to invite your Vice-Captain or another person, please let us know.

If we do not receive a reply within a reasonable time, we will reach out to other members of that year to be the year contact.

The venue for the lunch is still to be confirmed. It will probably be at The Rosalie Room, Marist Regional Office at Ashgrove or the Paddington Tavern.

This Regional Office is situated in the grounds of Marist College, Ashgrove. A map will be provided with the formal invitations when they are sent out if this venue is chosen. This email will also contain an agenda for the morning. We expect this event will be held on a Friday or Saturday and commence at approximately 9.00 am finishing with lunch at approximately 1pm.

We look forward to holding this event and we believe your help will benefit the Old Boys Association.

We have contact details for 90% of all College Captains and we will be sending invitations approximately two weeks after the AGM.

MARIST ROSALIE OLD BOYS Association

AUSTRALIAN MARIST SOLIDARITY (AMS)

AMS is the international agency organisation for the aid and development work of the Marist Province of Australia, now known as the Star of the Sea Province, throughout Asia and the Pacific Islands.

At the end of 2021, our Association made a small donation of \$253 to assist AMS with providing disability rehabilitation for children for a week. This is a small drop in the bucket of needs that is supported by Marist College Australia. It is our plan in the future to increase our support of AMS.

This donation has been matched by one other Old Boy and another has made a commitment to also assist with financial aid. Our whole hearted thanks to these generous past students.

AMS works with the people in The Asia Pacific region including the new **Star of The Sea Province** on a combination of long-term and short-term development projects. These projects aim to develop and support education opportunities for the young people in these regions, with a focus on those who are marginalized or disadvantaged.

Please visit their website at www.australianmaristsolidarity.net.au if you wish to familiarise yourself with this organisation and understand the work they do.

IN 2023, WE WILL REACH OUT TO OUR MEMBERS TO HELP INCREASE OUR ACTIVITY BY RAISING FUNDS FOR THIS VERY WORTHY CAUSE. WE BELIEVE THIS CAN BE AN IMPORTANT PART OF ENSURING OUR STRATEGY OF ENSURING "THE SPIRIT OF ROSA LIVES ON".

WE ARE ASKING OUR 1,500 MEMBERS TO COMMIT A SMALL DONATION TO THIS WORTHY CAUSE. THESE PEOPLE DESPARATELY NEED OUR HELP AND IF WE WERE TO DONATE THE COST OF A CUP OF COFFEE ON A MONTHLY BASIS, WE CAN CHANGE PEOPLES LIVES FOR THE BETTER.

WE STRENUOUSLY URGE YOU TO VISIT THE WEBSITE AND UNDERSTAND THE PLIGHT OF THESE PEOPLE. www.australianmaristsolidarity.net.au/about-us/

FOR EXAMPLE, TIMOR LESTE IS ARGUABLY THE POOREST COUNTRY IN THE WORLD AND THESE PEOPLE STRIVE TO EXIST ON OUR DOORSTEP.

Traditionally Marist College, Rosalie was a working man's school and the many men were this educated in this fine establishment came from the generosity of other parents who subsidised their fees and expenses to ensure they received an education in the Marist Tradition.

In the twentieth century, many displaced persons arrived in Australia from war torn parts of the globe and required a new place to call home and raise their children. What a blessing to our country! They settled in Australia; they raised families and became important contributors to the development of our nation.

Many of them have become members of our community, some are now family members from marriage to our brothers, sisters and relatives. They are indeed our best and staunchest friends.

MARIST ROSALIE OLD BOYS Association

Our nation is suffering a severe labour shortage and we may well see more new citizens arriving on our shores. They will need help and most importantly, good education.

Who is Marist solidarity?

Australian Marist Solidarity (AMS) works to ensure that all young people have access to educational opportunities.

We believe education has the power to eradicate poverty. With the help of The Marist Rosalie Old Boys' Association, we can support grassroots movements run by local people, by empowering them to make a change in their community.

Working across Asia and the Pacific, our projects focus on providing access to education for vulnerable young people, building facilities for the future to ensure safe spaces for learning, and investing in resilience and readiness to help young people who need a little extra support to thrive in learning environments.

Together, we transform the lives of young people by raising awareness of the power of education, and the funds that make it possible.

You can read more at:

www.australianmaristsolidarity.net.au/about-us/

An example of the Marist Solidarity work is as follows: -

Twenty years ago, when Timor-Leste finally gained its hard-fought independence, the Australian Marist Brothers asked the Church in Timor-Leste how it might make a contribution to the country. The Bishop of Bacau invited the Brothers to set up a teacher training college, and so ICFP Teacher Training College was started. Using the teaching curriculum from the Australian Catholic University, this college has become one of the strongest beacons of hope for quality education in the small country. Graduates return to their communities not only with excellent academic qualifications but also with a Marist love for and commitment to the young people they serve. Trainee teachers come from across the country and AMS is seeking more sponsors to ensure that there are no barriers to every child receiving a top-quality education from a well-trained and committed teacher.

We believe the best way to support these groups is to allocate a portion of money that is raised each year and donate it in the name of old boys who have passed away in that calendar year. At the annual AGM we will move a motion to donate funds to the project of choice for that year.

We ask that you help us support this cause

If you prefer to make your own personal donation, which is tax deductible, you can visit the Marist Solidarity website at:

MARIST ROSALIE OLD BOYS Association

THE FUTURE OF OUR ASSOCIATION AND ROSALIE

Sometime in the future the baton for operating the Rosalie Old Boys' Association needs to be passed to the younger guys who were educated at the College. Currently, we have four enthusiastic men from the younger generation on the Management Committee. We are thankful for the assistance they give us.

Recently there has been a lot more in interest in the Association from students who studied at the College, especially in 1990's.

We welcome this very much and if the Spirit of Rosa is to live on it will be through guys who went to school at the college from 1980 until it closed.

We previously communicated to members of the Old Boys' Association asking members if they had skills that would help us. We need them to put their hands up and lighten the load for members of the Management Committee. **If you have those skills we need, please give us a few hours of your time each week.**

We live in a world where Information Technology, social media and Communication is paramount to any organisation's success. This is particularly true, even for a small organisation such as The Rosalie Old Boys' Association. We are looking for someone with database management skills and website maintenance to help us. If you are proficient with Word Press it would be extremely beneficial.

Our current systems need reviewing and we need to change some of the tools we are using for management of our membership system.

We know that some of our past students have the necessary skills to help us. Those persons need not necessarily sit on our Management Committee. We need them to provide us with guidance and utilize their technical skills to update our current applications.

If you are that person, please feel free to contact Jim Griffith on 0419 715 697.

Marist College Rosalie has a significant role in the future of education in Queensland. There is definitely unfinished business for the school. **Hindsight vision shows that the school should never have closed.** The school's history shows us it was entitled to have been part of the evolution of Catholic Education in Brisbane.

The Rosalie of the future might look different to its past, but it is important the history of our great school lives on for future generations.

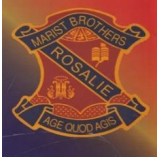

We remain optimistic that this CAN happen. We need external organisations to give us on-going support to make the dream come true.
